

Job Seeker Visa

To whom does this leaflet apply?

Skilled workers who have a university degree or professional qualification and are looking for a job in Germany. This visa is valid for a maximum of six months. It entitles the holder to take up trial employment for up to ten hours per week, but not to take up employment as part of a permanent position. After a successful search in Germany, the visa can be converted into a residence permit to take up an employment.

2. Prepare the required documents for the application.
3. Book an appointment in the category "National Visa" (except Vander Elst and Working Holiday Visa).

- Submitting incomplete documents can lead to the rejection of the application.
- Submitted documents that are sent unrequested cannot be assigned to your application.
- All documents, leaflets and application forms provided by the Embassy are free of charge.
