Dated December 2024

Taking up employment within the framework of a recognition partnership

Who does this information sheet apply to?

- Employees with a state-recognized foreign (but not yet equivalent or comparable) university or professional qualification who wish to pursue qualified employment in a non-regulated profession in Germany.
- The professional qualification acquired abroad (university or professional qualification) should be recognized in Germany during the period of employment.
- Additional information is available on the website <u>www.make-it-in-germany.com</u> <u>https://www.make-it-in-germany.com/en/visa-residence/types/work-qualified-professionals</u> <u>https://www.make-it-in-germany.com/pdf-visa-skilled-workers</u>
- 1. Please read the following information and the list of documents carefully.
- 2. Prepare the required documents for the application.
- 3. Book an appointment.
- 4. Please sort your documents in the given order.

Please note:

- Due to the high workload and in order to ensure equal treatment of all applicants, the visa section can only accept applications in the requested form for processing.
- Submitting incomplete documents may lead to the rejection of the application.
- Unsolicited documents cannot be assigned to your application.
- All documents, leaflets and application forms provided by the Embassy are free of charge.
- All information on the application procedure is available on our website.
- Please refrain from submitting status requests. Status requests do not speed up the visa process.

1	Visa application form	
_	Completed either in German or English	The application form is available free of
	Completed either in German of English	charge on our website. We recommend using
